

Summit Christian Academy Curriculum List 2011-12

*The estimated price for curriculum is \$400-\$500 per student, depending on grade level and the number of students in your family. Teachers' Editions are needed both in classroom and the homes because instruction is conducted in both places. Take good care of your curriculum so that you can use it with multiple children or sell your used curriculum to new Summit families.

*Reading books will be purchased by SCA for all elementary grade levels.

***Highlighted material** indicates that only ONE copy is needed per family. Do not purchase more than one copy even if you have multiple children at Summit Christian Academy. (Exception: if you have more than one student in My Father's World, you will need to purchase student sheets for each student who uses them! If you have more than one child in Rapid Recall, you might want to purchase the consumable student book for each child.)

*ISBN Numbers are listed for your convenience in ordering.

For questions concerning the ordering of curriculum, contact Natalie Ippilito at natpol@att.net , or call @ 210-710-2507. She is a Summit mom who volunteered to help with curriculum ordering. Thank you, Nat.
